On Saturday, June 22nd, at the IBEW Local 47 Steward & Safety Conference, held in Costa Mesa, CA., the delegates "passed the hat" for our IBEW Local 77 member, Mark Federico. Brother Federico suffered a serious injury this week while working in Alaska out of IBEW Local 1547. The members of IBEW Local 47 collected $3,746.00, and IBEW Local 47's Business Manager, Pat Lavin, moved that IBEW Local 47 match the amount collected for Brother Federico for a contribution of $7,392.00. In addition, Donna Beck, Owner of the Calvert Company, collected an additional $1,700.00 for a total contribution of $9,192.00 for Brother Federico. This is true Brotherhood!!

Thank you to the IBEW Local 47 members, Business Manager Pat Lavin, and Donna Beck for their contributions.
