RE: Collective Bargaining Agreement Ratifications

Congratulations to everyone on the ratification of four collective bargaining agreements last week. I sincerely appreciate the hard work and dedication that went into the negotiations by the Committee members and Business Representatives.

Our negotiation teams achieved substantial wage increases as well as increases in pension, health care benefits and important improvements in work rules. Everyone can be proud of these accomplishments. Our Union thrives when members support fellow members to improve living wages, benefits and safer working conditions through the collective bargaining process.

My sincere thanks goes to our Negotiating Committees, Business Representatives and all of our members for their continued support and participation during negotiations.

Fraternally,

Lou Walter
Business Manager/Financial Secretary
