

CITY OF ELLENSBURG

EMPLOYMENT OPPORTUNITY

Lineperson

DEPARTMENT: Energy Services Light Division
SALARY: \$43.61/hour
OPENING DATE: May 10, 2017
CLOSING DATE: May 31, 2017

JOB SUMMARY:

Construct, maintain, inspect, and operate overhead and underground electrical distribution system, energized or de-energized, in accordance with applicable City practices and safety regulations.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

All of the following are to be performed while adhering to City of Ellensburg operational policies, safety rules, and procedures. This position requires regular and consistent attendance to accomplish the following essential functions:

Open switches or install grounding devices to energized equipment to deenergize lines or accessories

Operate digger / derrick, bucket truck, backhoes and other tools and equipment necessary in the installation and maintenance of distribution system

Climb poles or ride in buckets attached to truck mounted boom to work on line hardware and accessories

Install new wires to crossarm insulators and splice wire to existing lines to complete circuit

Cover energized lines to facilitate safe handling of high voltage lines without interrupting service by power shutoff

Operate long insulated poles (hot-sticks) on 15 kV fitted with mechanically or hydraulic operated grasping and crimping tools; operate loadbreak tools on padmounted equipment; operate necessary equipment and tools utilized in the installation and maintenance of distribution system

Install pole hardware and auxiliary equipment such as transformers, lightning arrestors, switches, fuses, and insulators using hand tools; transfer wires from defective poles to new poles

Load and unload poles, transformers, padmounted gear, wire and other related items with boom

Install conduit, vaults, and other underground distribution materials; install cables, grounds, and terminations in pedestals or underground vaults

Read and interpret work requests and schematics; complete time slips and necessary reports affecting job assignments; respond to after hour callouts as required

Follow applicable safety rules and practices; complete work in a safe and efficient manner; protect against damage to public and private property during line construction and maintenance; ensure proper use and care of equipment assigned

Serve as acting foreperson as assigned

Trim trees as necessary to eliminate the possibility of contact with energized lines

Knowledge of and Qualified Worker certification per WAC 296-45

Traffic signal and street light maintenance and operation experience preferred but not required

Other duties may be assigned.

This is a representative sample--not to imply a complete listing of responsibilities and tasks.
