Brother and Sisters,

We have had three negotiations sessions with the Company since the overwhelming rejection of PSE's last & final proposal.

PSE has asked the Small Committee to consider Federal Mediation Services (FMCS). We are considering their request.

Local 77 has filed an Unfair Labor Practice complaint against PSE and it is currently being litigated by the Union's legal representatives at the National Labor Relations Board (NLRB).

We will continue to negotiate and represent you. We are hopeful that a fair and equitable agreement will be reached.

We appreciate your support and hope to see you at the next local unit meeting.

In Solidarity,

Your Small Committee
