RE: Contract Acceptance

Congratulations to all of the Negotiating Committee members and Business Representative Jason Trotter for your outstanding work in bringing the process of a rollover agreement to a successful conclusion. Your dedication and perseverance throughout the negotiations paid off in a big way. I sincerely appreciate all of your hard work, energy and determination. As a team, you worked together to accomplish the difficult task of finalizing an agreement that has been accepted by the membership. I know that the members at SCL and SDOT join me in thanking you for a job well done!

In solidarity,
